FLOWERS FROM JUNE UNTIL FROST

Stella D'Oro

Purple D'Oro

Ruby Stella

Stella Supreme

Stellas constantly produce flowers from June until frost.  
 These 14-18 inch tall varieties produce 3-inch flowers.  
 They grow well in full sun to partial shade. Heat and drought tolerant.  
 Stellas are offered as a collection or packed in tens with tags.  
 Volume pricing is available. Call or email us for more information.
