

Leo Berbee Bulb Co.

SPRING 2025 CATALOG

Helping you grow a more beautiful world!

LEO BERBEE BULB CO.

Helping you grow a more beautiful world

Welcome to the Leo Berbee Bulb Company, your premier destination for wholesale bulbs and perennials since 1972. Located in the charming town of Marysville, Ohio, our establishment prides itself on delivering the highest quality products alongside excellent customer service.

As a family-owned and operated business, we relocated to Ohio from the Netherlands, continuing a legacy that spans generations. Our commitment to excellence is clear in every facet of our operation, from our strategically planned selection to our prompt and reliable shipments.

Within the Leo Berbee Bulb Company, you'll find three distinct divisions, each dedicated to helping you from box to bloom:

BERBEE WHOLESALE Helping You Grow a More Beautiful World

Our flagship wholesale division has been a staple in the Marysville community since 1972. Launched by Henk and now continued by his daughter Marjolein Berbee, our team is committed to providing you with top-tier products and unparalleled service. Whether you're looking for bulbs, perennials, or expert advice, we're here to help you cultivate your vision.

YOUNG PLANTS DIVISION Wholesale to Greenhouses and Garden Centers

Our Young Plants Division specializes in supplying to greenhouses and garden centers nationwide. Under the guidance of Dave Dzmura, we broker young plants from esteemed growers across the United States, ensuring that you have access to the highest quality stock for your business.

DUTCH MILL GREENHOUSE A Garden Center with a Passion for Flowers

Since 2002, Dutch Mill Greenhouse has been an inspiration for gardening enthusiasts in Marysville and beyond. Led by the knowledgeable Bob Berbee, our independent garden center is a haven for those who share our passion for all things floral. With our expertise in Union County soil and Ohio Grown products, we're here to help you transform your outdoor space into a beautiful oasis.

At the Leo Berbee Bulb Company, we're more than just a business - we're a community of passionate gardeners dedicated to helping you grow something extraordinary. Contact us today to learn more about how we can assist you in cultivating your green dreams.

LEO BERBEE BULB CO. TERMS & CONDITIONS

ORDERS PLACED THROUGH BROKERS WILL BE SUBJECT TO THE TERMS & CONDITIONS OF THAT COMPANY.
PLEASE REQUEST A COPY OF TERMS FROM YOUR BROKER.

Payment & Invoicing

Full remittance is required prior to shipment. Please provide a credit card number and expiration date (valid at the time of shipping) when placing your order. Your order amount, along with any applicable freight and handling charges, will be charged to your credit card at time of shipping. For your convenience, we accept the following cards:

Alternately, you may choose to send payment via check. Check payments must be received, and checks must clear the bank, prior to order shipment. We reserve the right to hold an order until payment has been received.

Credits/Claims

If a credit is requested, the credit will be given as a credit on the account. A refund check will not be issued.

Ship Dates

We will ship your order during the **week** you specify if the product is available at that time. We make every effort to ship on the date requested, however, we will not ship during extreme cold weather.

Shipping Methods

We will ship your order prepaid to your destination via UPS ground, USPS Mail, R&L Truck, or FedEx. The actual freight charges will be added to your order at time of shipping. Freight cost is based on weight and/or volume at time of shipping.

Limitations of Warranty/Liability

We warrant our product to be in sound, healthy condition at time of shipment but do not warrant the flowering, other planting, growing or forcing results.

Shortages, damage in transit or unacceptable product MUST BE REPORTED WITHIN 3 DAYS of receipt of order for consideration of any claim. Leo Berbee Bulb Company cannot be held responsible for loss due to improper storage, delayed planting, improper planting, inexperience with plant specific growing requirements, and growing conditions out of our control.

We accept no responsibility for the guarantee you give your customers. In no case will Leo Berbee Bulb Co. be liable for any dollar amount greater than the sum originally received for the product.

Cancellations

We reserve the right to refuse requests for cancellation of an order within one week of the scheduled ship date. If we do allow the cancellation of an order within the one week period or if a shipment is refused after shipment, a \$25.00 restocking fee plus the cost of any plant material unsuitable for reshipping will be incurred and charged to your account. There will be no charge for errors made on our part. All returns must have prior authorization with Leo Berbee or return shipments will not be accepted.

Special Orders

We are happy to special order larger volumes or product that is not listed in our catalog. However, all special orders are a committed order, and we reserve the right to not cancel a special order.

Substitutions

Demand for some varieties is very high and farm shortages may occur, so we may be faced with making a choice on your behalf. We thank you for trusting us to select varieties of the same class and/or color group. If you have a preference for the type of subs you would like to receive, please note "sub by class" or "sub by color" in the comment section of the order form.

We do understand there are times that an alternate variety is not desired. If this is the case, please indicate "No Subs" when you submit your order.

Combination of Orders

Due to the volume of orders in the warehouse, we will not be able to combine orders. Ship Week requests will be reviewed and they may ship at the same time, but they will be considered separate orders with separate freight charges.

**EVERY EFFORT HAS BEEN MADE TO ASSURE THE PRICING IN THIS CATALOG IS CORRECT.
HOWEVER, ERRORS IN PRICING MAY OCCUR, AND WE RESERVE THE RIGHT TO CORRECT THESE ERRORS.**
